MGC Building & Maintenance Successfully Tenders for Housing Panel

MGC Building & Maintenance has been announced as just one of just three companies appointees on the Housing Authority's North West Urban Construction and Development Builder's Panel for the Pilbara and Kimberley regions.

Manager Brad Durack described the appointment as a huge success and noted that MGCBM is the only East Kimberley-based member of the Panel and is therefore well positioned to capitalise on large-scale housing development and maintenance projects in the East Kimberley over the next 4 to 5 years: *"Not only will this result in a sustainable pipeline of work, but more importantly it means meaningful training and employment opportunities for MG people."* If you're interested in training or employment with MGC Building & Maintenance, call Brad on 0419 600 188 or drop into the workshop on Kentia Way.

Chair appointed to Northern Development Indigenous Reference Group

MG Corporation Chair, Lawford Benning, has been appointed to the Indigenous Reference Group made up of Indigenous leaders from across northern Australia.

Lawford joined his fellow delegates from the Indigenous Reference Group and recently met with Minister Scullion to discuss issues relevant to the northern development agenda. Lawford described the appointment as a good opportunity to ensure that the northern development agenda is inclusive of MG interests and results in tangible benefits flowing to the MG community. You can have a look at the full press release on MG Corporation's website: www.mgcorp.com.au.

Members attending the 2017 AGM

2017 Annual General Meeting

The Annual General Meeting for MG Corporation and the MG PBCs was held in Kununurra on 6 December 2017.

Chair of MG Corporation, Lawford Benning, and directors Helen Gerrard (pictured right), Ted Carlton, Louise Mengil and Tom Stephens (pictured below) used the opportunity to outline MG Corporation's key developments over the last financial year.

Members confirmed the appointment and remuneration of the auditors and passed resolutions regarding the remuneration of Dawang Council Members and PBC directors.

Members also engaged in a productive discussion regarding the strategic direction of MG Corporation and considered a number of key priority areas moving forward.

MG Corporation would like to thank all of its staff for assisting on the day of the AGM to ensure a smooth and productive AGM for all members.
